

Gallipolis City Schools
Kindergarten Registration 2018-19

Kindergarten Registration for the Gallipolis City School District will be held on the following dates:

Green Elementary

Monday, April 9, 2018

Tuesday, April 10, 2018

Please call Green at 740 446-3236 for an appointment.

Washington Elementary

Monday, April 16, 2018

Tuesday, April 17, 2018

Please call Washington at 740 446-3213 for an appointment.

Rio Grande Elementary

Monday, April 30, 2018

Tuesday, May 1, 2018

Please call Rio Grande at 740 245-5333 for an appointment.

If you cannot attend registration during these dates and times, please call the appropriate school to make other arrangements. It is important that children be registered for kindergarten in order to plan for classes and materials needed for all students.

Parents or guardians must bring their kindergarten-aged child to the registration. Children will be screened for hearing, vision, speech and communications, health and medical issues. Other screenings will be done by observing the child while he/she interacts with other children and the registration team.

A child must be five years of age on or before August 1, 2018 to be eligible to attend kindergarten.

To register, the parent or guardian must bring a copy of the child's birth certificate, record of immunizations, proof of residence (piece of mail, rental agreement, etc.) and Social Security number. If there are custody issues, please bring any court documentation you may have.

The State of Ohio's immunization requirements for children entering kindergarten in 2017 are as follows:

Five Diphtheria, Whooping Cough, and Tetanus vaccinations (DPTs)

Four Polio vaccinations (IPVs)

Two Measles, Mumps and Rubella vaccinations (MMRs)

Three Hepatitis B vaccines (HBVs)

Two Varicella vaccines

It is also required by the Gallia County Health Department that each child have a tuberculin (TB) skin test before entering kindergarten.

Children may obtain these immunizations from their doctor or from the Gallia County Health Department, which is located at 499 Jackson Pike, Gallipolis. Be sure to take your child's current immunization record with you.

The Kindergarten Registration Team at each school is looking forward to seeing you and your child.
