

STAFF INVOLVEMENT IN DECISION MAKING

The District involves the efforts of many people and functions best when all personnel are informed of the District's major activities and concerns.

There should be an exchange of ideas and pertinent information among all elements of the District. Morale is enhanced when employees are assured that their voices are willingly heard by those in positions of authority.

All employees in the District will have the opportunity to bring their ideas or concerns to the Board. It is expected that they will proceed through the recognized administrative channels; however, final authority for all decisions rests with the Board.
