

ADMISSION OF STUDENTS
FROM NONCHARTERED OR HOME SCHOOLING

Students seeking admission into the District's schools who have been enrolled in nonchartered schools or home schooling programs may be required to take competency examinations. The purpose of these examinations is to determine the proper grade placement for these students.

In making a placement decision, the Superintendent may consider:

1. The student's most recent annual academic assessment report;
2. Whether to require the student to take any or all of the nationally normed, standardized achievement tests that are regularly scheduled for District students of similar age and
3. Other evaluation information that may include interviews with the student and the parent.

Resident students attending a nonchartered nonpublic school are permitted to participate in the District's extracurricular activities at the school to which the student would be assigned if the nonchartered nonpublic school the student is enrolled in does not offer the extracurricular activity. Students must be of the appropriate age and grade level as determined by the Superintendent and must fulfill the same academic, nonacademic, and financial requirements as any other participant.

Resident students receiving home instruction in accordance with State law are permitted to participate in District extracurricular activities at the school to which the student would be assigned. Students must be of the appropriate age and grade level as determined by the Superintendent and must fulfill the same academic, nonacademic, and financial requirements as any other participant.

A student attending a nonchartered nonpublic school who is not entitled to attend school in the District may be authorized by the Superintendent to participate in an extracurricular activity offered by a school of the District. The activity must be one that the nonchartered nonpublic school the student is enrolled in does not offer and may not be interscholastic athletics or interscholastic contests or competitions in music, drama, or forensics.

A student receiving home instruction in accordance with State law who is not entitled to attend school in the District may be authorized by the Superintendent to participate in an extracurricular activity offered by a school of the District. The activity must be one that the District the student is entitled to attend does not offer.
