

## USE OF ELECTRONIC EQUIPMENT BY STUDENTS

Students may be allowed to possess pagers, cellular telephones, and other electronic communications devices while on school property or while attending school-sponsored activities on or off school property, as long as these devices are not in use at times/events/locations as determined by the building principal.

First time violators of this policy are reported to the principal, and the device may be confiscated and held in the office until the end of the school day. The building principal/assistant principal will determine appropriate disciplinary actions for violations of this policy as outlined in the student handbook.

The District assumes no liability if these devices are broken, lost, or stolen. Notices of this policy are posted in a central location in every school building and in the student handbooks.
