

## ADVISORY COMMITTEES TO THE BOARD

The following policies shall govern the appointment and functioning of district advisory committees:

1. Advisory committees may be created by the Board to serve as task forces for special purposes or to provide continuing consultation in a particular area of activity. However, there shall be no standing overall advisory committee to the Board.
2. If the advisory committee is required by state or federal law, its composition and appointment shall meet all the guidelines established for that particular type of committee.
3. The composition of task forces and any other district advisory committees shall be broadly representative and shall take into consideration the specific tasks assigned to the committee; members of the professional staff may be appointed to the committee as members or consultants.
4. The Board possesses certain legal powers and prerogatives which cannot be delegated or surrendered to others. Therefore, all recommendations of an advisory committee must be submitted to the Board for action.
