

## BOARD REVIEW OF REGULATIONS

When appropriate, the Board will review regulations developed by the administration to implement policy. The Board will revise or veto such regulations only when they are inconsistent with policies adopted by the Board or when they are not in the best interest of the District.

Regulations need not be approved by the Board in advance of issuance, except as required by State law or in cases when strong community attitudes, or possible student or staff reaction, make it necessary or advisable for the regulation to have the Board's advance approval. The Board's approval of regulations will be accomplished by the same procedure established for the adoption of policies.

Before issuance, districtwide regulations will be properly titled and coded as appropriate to subject and in conformance with the codification system selected by the Board. Those officially approved by the Board will be so marked; all others appearing in the manual will be considered approved, provided they are in accordance with the accompanying Board policy.
