

## POLICY REVIEW AND EVALUATION

In an effort to keep its written policies current so that they may be used consistently as a basis for Board action and administrative decision, the Board will review its policies on a continuing basis.

The Board will evaluate how the policies have been executed by the school staff and will weigh the results. It will rely on the school staff, students, and the community for providing evidence of the effect of the policies which it has adopted.

The Superintendent is given the continuing responsibility of calling to the Board's attention all policies that are outdated or for other reasons appear to need revision. To accomplish this, the Superintendent may request input from the Board or advisory committee.
