

ADMINISTRATIVE COUNCILS, CABINETS, AND COMMITTEES

The Superintendent may establish such permanent or temporary councils, cabinets, and committees which are necessary for proper administration of Board policies and for the improvement of the total educational program.

All councils, cabinets, and committees created by the Superintendent will be for the purposes of obtaining the advice and counsel of administrative and supervisory personnel of the District and aiding in District communication. Functioning in an advisory capacity, such groups may make recommendations for submission to the Board through the Superintendent. Authority for establishing policy remains with the Board and authority and responsibility for implementing policy remains with the Superintendent.

The membership composition and responsibilities of administrative councils, cabinets, and committees will be defined by the Superintendent and may be changed at his discretion.
