

SUMMER SCHOOLS

The Board may operate summer schools for students in grades one through 12 who need extra help in order to advance with their respective age groups.

The summer program will be designed to include enrichment and remedial and recreational experiences, such as playground crafts, typing, music, and high school subjects, as needed.

In general, no tuition is charged students who are residents of the District and whose need for a summer program has been identified by teachers and who have been recommended for enrollment in the program to the Superintendent by the appropriate building principal. Special activities or programs for which a fee is to be charged may be conducted only with the approval of the Board.

Summer school will be under the direction of a summer school principal appointed by the Board. Teachers for summer sessions will be recruited from the District staff insofar as feasible. The Board will set summer salaries and make appointments upon the recommendation of the Superintendent.
