

## ADULT EDUCATION PROGRAMS

The Board recognizes that it has an educational responsibility to the entire community and to lifelong education. Accordingly, adult education courses may be provided to meet the needs of adults and out-of-school youth for basic education, general and academic education, occupational education and development of special interests in various arts, crafts, and recreation.

The adult education program will be administered by the Superintendent or his designee and will be supported by a combination of District funds, State and federal aid, and fees. State aid will be requested for all courses for which the State offers such aid. Adults who attend such programs will be expected to comply with established rules and regulations.
