

## TAX ISSUES

The Board examines financial needs in advance of any levy or bond elections. The Board provides the public with information on school building needs and on levy and bond elections; however, it will not use District funds to promote approval of school-related tax issues.

Tax reduction factors are considered in coordination with the Sexennial Reappraisal and/or the Triennial Update in affected District counties. In considering a potential tax issue, the Board examines all legal options to obtain additional revenue.
