

NO TOBACCO USE ON DISTRICT PROPERTY

The Board has a duty to protect and promote the health and well-being of all students and staff. The Board is acutely aware of the serious health risks associated with the use of tobacco products, to both users and nonusers, and that most tobacco use begins by the age of 18. The Board recognizes that staff and school visitors serve as role models to students and, therefore, adopts this 100% tobacco-free District policy to endorse a healthy lifestyle and prevent tobacco use.

Smoking is defined by State law as inhaling, exhaling, burning, or carrying any lighted or heated tobacco product or plant product intended for inhalation in any manner or in any form. Smoking also includes the use of electronic smoking device and vapor products. For the purpose of this policy, "tobacco product" is defined to include any lighted or unlighted cigarette, cigar, pipe, bidi, clove cigarette and any other smoking product, and spit tobacco, also known as smokeless, dip, chew, and snuff, in any form.

Tobacco Use Prohibited

No volunteer or school visitor is permitted to smoke, inhale, vape, dip, or chew tobacco products at any time, including non-school hours:

1. in any building, facility, or vehicle owned, leased, rented, or chartered by the District or
2. on school grounds, athletic facilities, or parking lots.

Tobacco Advertisements and Promotions

Tobacco advertising is prohibited on school grounds, in all school-sponsored publications, and at all school-sponsored events. Tobacco promotional items that promote the use of tobacco products, including clothing, bags, lighters, and other personal articles are not permitted on school grounds, in school vehicles, or at school-sponsored events.

Providing Notice

"No Tobacco" signs will be posted throughout the district at entrances and other appropriate locations in all academic buildings, administrative spaces, and athletic fields. District vehicles will display the international "No Smoking" insignia. Announcements will be made during hoe athletic events both before the event and during intermission, as well as at all school functions where deemed appropriate. School programs will include a written reminder of the no tobacco use on District property policy.

Enforcement

Citizens failing to comply with this policy are educated as to State law and the Board's policy on smoking. Persons refusing to extinguish smoking materials are directed to leave school property and may be fined by the Ohio Department of Health or its designees.

The following disciplinary actions may be taken against school visitors found in violation of this policy.

- 1st offense: verbal notification of the policy
- Multiple offenses: removal from school property or, if off-campus, removal from school activity
