

PUBLIC GIFTS TO THE SCHOOLS

Gifts, grants, or bequests will be accepted by the Board, provided the conditions of acceptance do not remove any portion of the control of the school District from the Board.

Once gifts, grants, or bequests have been accepted by the schools their utilization, disposition, and control shall be exclusively under the control of the Board of Education.

Any person or organization desiring to present a gift, a grant, or a bequest to the Board must contact the Superintendent whom will submit the request to the Board.

Proposals for giving funds, equipment, or materials to the school with a "matching" agreement or restriction are generally not acceptable. Acceptance of donated equipment or materials may depend upon the compliance with, or experience related to, the Board's policy of standardizing materials and equipment in the District.

Whenever the District has an established project, contributions that would reduce the cost or hasten the completion will be welcome.
